

**Cory's Crewz**  
*The Final Lap*  
September 12, 2026

## Our Story and Mission

In the US, approximately 47 children and adolescents are diagnosed with cancer every weekday—over 17,000 each year. On February 28, 2003, Cory Duane Cross became one of these children. Despite an aggressive brain cancer diagnosis and a less than 10% chance of survival, Cory fought a courageous 4 ½ year battle before earning his angel wings on July 28, 2007.

Inspired by the overwhelming support Cory’s family received during his battle, the Cory Cross Foundation (CCF) was founded in 2010 as a 501(c)(3) non-profit. Our mission is to “pay it forward” by providing financial and emotional support to families with children fighting cancer, while also supporting childhood cancer research and local youth programs.

## Our Story

For thirteen years, Cory’s Crewz for a Cure (a benefit ride and live auction) was our largest annual fundraiser for the foundation. In 2020, we successfully shifted gears and began hosting an annual golf benefit. In 2022 (in honor of Cory’s 20th birthday) we celebrated with a fabulous Roaring 20’s Event.

## Our Impact: Your Donations At Work

Because of the generosity of our supporters, CCF has been able to provide critical assistance, including:

- **Medical Support:** \$10,000 donation to Riley Children’s Foundation and support for St. Baldrick’s (an organization instrumental in providing research grants to those working tirelessly to find a cure for childhood cancer).
- **Patient Comfort:** Purchase of 4 custom-made rocking chairs for Riley Children’s Hospital and emotional support canine companions.
- **Accessibility:** Purchase of a motorized wheelchair and a specialized vehicle for patient transport.
- **Family Assistance:** Direct financial aid for mortgages, rent, utilities, medications, fuel, groceries and more.
- **Community & Future:** Contribution to scholarships for cancer survivors and support for local 4-H members. Proud Sponsor of other local organizations, including Friends 4 Jessica and Ringside for Riley.

2026 marks 20 years since the first Cory’s Crewz! On September 12th, we will host one “Final Lap!”. To make this milestone event truly special, we are seeking unique auction items and a variety of sponsorships.

Without the generosity of our dedicated supporters and donors, our foundation would not be able to provide assistance to so many children and families. 100% of the proceeds benefit the Cory Cross Foundation.
